### Purpose

The purpose of this conference is to provide information and education on the most up-to-date practice management procedures for your practice.

### Intended Audience

This conference will be of interest to podiatric physicians, executive managers, and medical assistants.

### Privacy and Confidentiality Policy

American Academy of Podiatric Practice Management’s (AAPPAM) Policy on Privacy and Confidentiality dictates the Association’s handling of a learner’s personal information. This policy is enforced in all areas of the Academy’s business, including online communications, offline communications, direct marketing, and event registration. AAPPAM maintains a comprehensive database of information on its learners in accordance with the general needs and expectations of the organization and its learners. This information is intended exclusively for purposes related to official Academy business and to facilitate interaction between the Academy and its learners. Directory information in the database may include home or work addresses, telephone numbers, fax numbers, e-mail addresses, and activity registrations/online purchases. AAPPAM will use personal information to fulfill registrations for events, orders for materials and services made online, and other requested services. For educational meetings (CME activities), AAPPAM may share a list of registered attendees with the registered sponsors for that event.

### Consent To Use Photographic Images

Registration and attendance or participation in the AAPPAM Annual Conference constitutes an agreement providing permission for the use of the registrant’s image or voice in photographs or recordings at the event without compensation. AAPPAM can use the images for promotions in any and all media. AAPPAM or its successors are exempt from any liability for the use of photographic images. You may revoke this authorization at any time by notifying AAPPAM at [office@aappm.org](mailto:office@aappm.org).

## General Information

### Continuing Education

American Academy of Podiatric Practice Management (AAPP) is approved by the Council on Podiatric Medical Education (CPME) as a provider of continuing education in Podiatric Medicine. This program has qualified for a maximum of 12.25 continuing education contact hours. CECH approved hours will be listed by lecture in the detailed agendas on the AAPP website. No commercial interest provided financial support for this continuing education activity.

AAPP will also be offering PMAC CME credits. The Commission on Accreditation of Podiatric Assisting Certification has approved this program for a maximum of 12.0 PMAC continuing education hours.

### Attire

The suggested dress for all events is business or business casual.

### Location & Accommodations

Lago Mar Beach Resort is located at 1700 South Ocean Lane, Fort Lauderdale, FL 33316. Lago Mar is offering conference guests a special rate of \$245 for their executive suite rooms, single or double occupancy. This rate is available until October 11 or until sold out, whichever occurs first. To make reservations, call 1-855-829-2923 and reference group code "2411AAPP2", or reserve online at [www.aapp.org](http://www.aapp.org) using the special booking link. Please be aware that rooms are limited so reserve yours early!

### Educational Objectives

After the final program, attendees will:

- UNDERSTAND how to identify lymphedema and provide appropriate treatment. Attendees will also understand the new Medicare guidelines related to lymphedema.
- BETTER UNDERSTAND the clinical needs and applications for lower extremity compression garments and the impact these products can have on improving patient care.
- UNDERSTAND the important role of dermatological testing and procedures in diagnosing and treating the most common foot and ankle dermatological conditions more effectively.
- IMPROVE their knowledge of how to effectively perform a biomechanical examination, prescribe custom orthotics and AFOs and improve patient acceptance and compliance.
- IMPROVE their ability to assess which treatment options are best suited for wounds commonly seen by podiatrists; and increase understanding of the proper application of various wound care products, the importance of using wound care protocols, and how dispensing wound care products can improve patient care and compliance.
- LEARN how to identify patients at risk for falling and the podiatrists' role in fall prevention.
- HOW TO document and code office visits and procedures in compliance with CMS guidelines
- UNDERSTAND the critical role that developing and implementing clinical treatment protocols plays in enhancing patient care and compliance
- UNDERSTAND the unique considerations and challenges to treating the pediatric patient.
- LEARN the legal and compliance considerations for treating a patient, documentation, and submission to third party payers and Medicare
