

BECOME A FELLOW
OF AAPPM

FELLOWSHIP PROGRAM

BENEFITS

Fellowship in the AAPPMP will help you and your practice gain value in the following ways:

- You will be presented with a certificate of Fellowship on stage at an AAPPMP conference, along with a lapel pin that you can wear proudly at all AAPPMP and other podiatry events
- Your paper will be featured in the member's area of www.aappmp.org
- If appropriate, we may submit your paper to Podiatry Management magazine for publication in one of their issues
- You will be invited to participate in special roundtable discussions and have the opportunity to serve on committees that will benefit you, your practice, the profession and the Academy
- Discounts to AAPPMP conferences, virtual seminars and webinars
- Discounts as available to social events at AAPPMP conferences

REQUIREMENTS

To apply for Fellowship status in the AAPPMP, you must meet the following qualifications:

- Must have four years experience in podiatric medicine, post-residency
- Must be a member in good standing of the AAPPMP

- Must have attended at least two AAPPMP conferences
- Must submit a paper on practice management AND a live, single presentation of at least 20 minutes at a seminar, OR
- Must submit TWO papers on practice management, OR
- Must submit a paper and two shorter pearl articles on practice management
- A paper shall be 1,800 to 2,500 words. A Pearl article shall be 1,000 to 1,500 words. Both shall be complete with references and suitable for publication. Topics need to be approved in advance by the Fellowship team
- The live presentation shall be done on Power Point, topics shall be approved in advance by the Fellowship team
- Papers, Pearl articles and presentations shall be based on content as it relates to practice management and applicability to daily practice

MAINTAIN FELLOWSHIP STATUS IN THE ACADEMY

- Fellowship status is good for a two-year period
- In order to maintain fellowship status, you must attend at least one in-person conference during the two years and maintain membership, in good standing, of the AAPPMP, AND
- You must either write a publishable article, OR two Pearl articles, or do a live presentation as outlined above, during the two-year Fellowship period
