Coding and Documentation for Wound Care Products

Andy Bhatia, DPM

4:00 pm - 4:30 pm - **0.50 CME**

PQRS Reporting and avoiding penalties

Michael Brody, DPM

Failure to report PQRS will result in a penalty. Reporting poor performance in PQRS will result in a penalty. Reporting high performance will result in an incentive. Learn the penalties, the incentives and how to optimize your PQRS reporting and be on the positive side of this equation.

4:30 pm - 5:00 pm - **0.50 CME**

ICD10: How are We Doing, and What's Not Working

Mike King, DPM

It seems we have made it through the first phase of ICD 10. No major issues have occurred but many minor issues have continued to crop up. What can we expect for October of this year?

**AAPP Billing, Coding, and Business Seminar
Chandler, AZ
Friday May 13, 2016**

5:00 pm - 5:30 pm

CSI: Accounts Receivable

Melissa Lockwood, DPM

Do you ever wonder where your money comes from? Where it GOES each month? What do your monthly reports look like? What reports should you even look at to assess the health and vitality of your practice? This in depth session will nail down 4 key reports to look at monthly and how to assess and correct problems that may be found within them!

6:00 PM - 8:00 PM

Wine Tasting and Cigars with the Stars

Rem Jackson and Ben Weaver, DPM

After a day of work, come join us for a reception to kick back and socialize with your colleagues and the conference speakers. While you're there, enjoy from a selection of fine wines and, if you like, have a cigar.

The reception is sponsored by Top Practices and BAKO Integrated Physician Solutions
